Stronger Stuff has 50 per cent more caramel than Gravy Saviour, so 2/3rds of the amount will have the same caramel effect but 1/3rd less salt than Gravy Saviour. Try a tub of each for £10.05 2nd-class, £10.85 1st-class or £12.05 with expedited delivery.

Orders to be sent to two or more addresses should be priced individually e.g. two tubs each to three addresses is priced as three lots of two, not as six tubs to one address.

Please allow 28 days for delivery at peak times (September to May). Orders with expedited delivery jump any queue and are sent as soon as possible, subject to availability. Further options are detailed at www.oldjake.co.uk but not included here, due to lack of space.

Prices stated above should be valid for orders received by 14/03/2011 but may have to change in the meantime without notice. Please check for latest information at www.oldjake.co.uk or phone 01572 787 676 if you haven't ordered for some time as underpaid orders may be refused.
